April 10, 2017

I am pleased to present the Secretary of State's 2017 edition of the California Roster.

This Roster provides a comprehensive listing of contact information for California's government officials, as well as historical outlines of its constitutional offices and state emblems. It includes California's federal, state, and county government officials, judicial officials, incorporated city and town officials, a listing of California's unincorporated areas and state agency information.

The California Roster is available exclusively online. A complete new edition of the Roster is posted on the Secretary of State website, www.sos.ca.gov, each spring. Any change in information provided to my office during the course of the year will be updated upon receipt.

Sincerely,

A handwritten signature in black ink that reads "Alex Padilla".
