Second Insurance Initiative Enters Circulation

Approval of Healthcare Insurance Rate Changes. Initiative Statute.

SACRAMENTO – Secretary of State Debra Bowen today announced that the proponent of a new initiative may begin collecting petition signatures for his measure.

The Attorney General prepares the legal title and summary that is required to appear on initiative petitions. When the official language is complete, the Attorney General forwards it to the proponent and to the Secretary of State. The Secretary of State then provides calendar deadlines to the proponent and to county elections officials, and the initiative may be circulated for signatures. The Attorney General's official title and summary for the measure is as follows:

APPROVAL OF HEALTHCARE INSURANCE RATE CHANGES. INITIATIVE STATUTE. Requires health insurance rate changes to be approved by Insurance Commissioner before taking effect. Requires sworn statement by health insurer as to accuracy of information submitted to Insurance Commissioner to justify rate changes. Provides for public notice, disclosure and hearing on health insurance rate changes, and subsequent judicial review. Exempts employer large group health plans, unless requested or rate increase exceeds 10 percent. Prohibits health, auto and homeowners insurers from determining policy eligibility or rates based on lack of prior coverage or credit history. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Increased state administrative costs in the low tens of millions of dollars annually to regulate health insurance rates, funded with revenues collected from filing fees paid by health insurance companies.** (11-0072)

The Secretary of State's tracking number for this measure is 1542 and the Attorney General's tracking number is 11-0072.

The proponent for this measure, Jamie Court, must collect signatures of 504,760 registered voters – the number equal to five percent of the total votes cast for governor in the 2010 gubernatorial election – in order to qualify it for the ballot. The proponent has 150 days to circulate petitions for this measure, meaning the signatures must be collected by June 4, 2012.

No public contact information was provided by the proponent.
