The Attorney General prepares the legal title and summary that is required to appear on initiative petitions. The Secretary of State then provides calendar deadlines to the proponents and to county elections officials. The Attorney General's official title and summary for the measure is as follows:

Requires resentencing for persons serving felony sentences for these offenses unless court finds unreasonable public safety risk. Applies savings to mental health and drug treatment programs, K-12 schools, and crime victims. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Net state criminal justice system savings that could reach the low hundreds of millions of dollars annually, which would be spent on truancy prevention, mental health and substance abuse treatment, and victim services.
