## **Proposed Initiative Enters Circulation** *Firearms. Ammunition Sales. Initiative Statute.*

**SACRAMENTO** – Secretary of State Alex Padilla announced the proponent of a new initiative was cleared to begin collecting petition signatures today.

The Attorney General prepares the legal title and summary that is required to appear on initiative petitions. When the official language is complete, the Attorney General forwards it to the proponent and to the Secretary of State, and the initiative may be circulated for signatures. The Secretary of State then provides calendar deadlines to the proponent and to county elections officials. The Attorney General's official title and summary for the measure is as follows:

**FIREARMS. AMMUNITION SALES. INITIATIVE STATUTE.** Prohibits possession of large-capacity ammunition magazines, and requires their disposal by sale to dealer, destruction, or removal from state. Requires most individuals to pass background check and obtain Department of Justice authorization to purchase ammunition. Requires most ammunition sales be made through licensed ammunition vendors and reported to Department of Justice. Requires lost or stolen firearms and ammunition be reported to law enforcement. Prohibits persons convicted of stealing a firearm from possessing firearms. Establishes new procedures for enforcing laws prohibiting firearm possession by felons and violent criminals. Requires Department of Justice to provide information about prohibited persons to federal National Instant Criminal Background Check System. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Increased state costs in the tens of millions of dollars annually related to regulating ammunition sales, likely offset by various regulatory fees authorized by the measure. Increase in court and law enforcement costs, not likely to exceed the tens of millions of dollars annually, related to removing firearms from prohibited persons as part of court sentencing proceedings. These costs could be offset to some extent by fees authorized by the measure. Potential increase in state and local correctional costs, not likely to exceed the low millions of dollars annually, related to new and increased penalties.** (15-0098.)

The Secretary of State's tracking number for this measure is 1756 and the Attorney General's tracking number is 15-0098.

The proponent of the measure, Gavin Newsom, must collect the signatures of 365,880 registered voters (five percent of the total votes cast for Governor in the November 2014 general election) in order to qualify it for the November 2016 ballot. The proponent has 180 days to circulate petitions for the measure, meaning the signatures must be submitted to county elections officials by June 28, 2016. The proponent can be reached c/o Thomas A. Willis and Margaret R. Prinzing at (510) 346-6200.
