California Roster

2005

Compiled by
Secretary of State
BRUCE McPHERSON
October 2005

Dear Friends,

I am pleased to present the 2005 edition of the California Roster.

The California Roster provides a comprehensive listing of government official contact information, as well as historical outlines of our constitutional offices and our state emblems. It includes California’s federal, state, and county government officials, judicial officials, incorporated city and town officials, a listing of California’s unincorporated areas, state agency information, and state officials for all of the United States.

This year the Roster is available exclusively online. Previously, the information in the Roster was updated only once a year. Utilizing the benefits of this online version, we will not only continue to provide the extensive annual update, but will also update information as it is made available to our offices during the course of the year.

Sincerely,

Bruce McPherson
Secretary of State
Constitutional Officers

There are eight statewide Constitutional Officers: the Governor, Lieutenant Governor, Secretary of State, Attorney General, State Controller, State Treasurer, Insurance Commissioner and the State Superintendent of Public Instruction. These officers are all elected at the same time in a General Election and may be re-elected to a maximum of two four-year terms.

In the event of a vacancy in the office of the Governor, the Lieutenant Governor shall become Governor. In the event of a vacancy in both the offices of the Governor and the Lieutenant Governor, the succession order is as follows: first, the last duly elected President Pro Tempore of the Senate; second, the last duly elected Speaker of the Assembly; third, the Secretary of State; fourth, the Attorney General; fifth, the State Treasurer; and lastly, the State Controller.

GOVERNOR  
Arnold Schwarzenegger  
State Capitol, Sacramento, CA 95814

The supreme executive power of the State of California is vested in the Governor, whose duty it is to see that the law is faithfully executed.

The Governor is the Commander-in-Chief of this state’s militia. The Governor is the official communicator among this state’s government, the federal government, and other states of the United States. The Governor supervises the official conduct of all executive and ministerial officers, and the Governor sees that all offices are filled and their duties performed.

The Governor’s appointment power extends over significant areas of state government. First, the Governor has authority to fill vacancies in the judiciary (i.e. Municipal, Superior, Appeals, and Supreme Courts), and to fill newly created judgeships. Second, the Governor has the power, subject to confirmation by the State Senate, to appoint a large number of positions throughout the executive department.

The Governor communicates, during each calendar year, with the Legislature regarding the condition of the state and makes recommendations. The Governor submits an itemized budget to the Legislature within the first 10 days of each year.

The Governor may veto any bill passed by the Legislature and return it, with his objections to the house of origin. The Governor may also reduce or eliminate one or more items of appropriation while approving other portions of a bill.

The Governor utilizes, in addition to immediate staff, a cabinet that is composed of the ten major state agency secretaries (i.e. State and Consumer Services; Business, Transportation and Housing; Environmental Protection; Education; Food and Agriculture; Health and Human Services; Labor and Workforce Development; Resources; Veterans Affairs; and the Youth and Adult Correctional Agency), plus the Director of Finance and Office of the Secretary for Education.

This group serves as the Governor’s chief policy advisory body and, in their individual capacities, each implements and coordinates the Governor’s policies throughout the state.

The Cabinet supplies the Governor with a comprehensive view and current resume of the state operations and serves as a source for long-range planning.

LIEUTENANT GOVERNOR  
Cruz Bustamante

The Constitution provides that the Lieutenant Governor shall become Governor in the event of a vacancy. The Lieutenant Governor shall serve as acting Governor in the event of the Governor’s absence from the state, temporary disability or impeachment. The Constitution also provides that the Lieutenant Governor shall be President of the Senate, but that he shall have only a casting vote. The purpose of a casting vote is to break a tie. The casting vote may be used only if it will provide the necessary majority required.

The Lieutenant Governor serves in an ex officio capacity as a voting member of the University of California’s Board of Regents and as a voting member of the California State University’s Board of Trustees. The Lieutenant Governor serves, and rotates with the State Controller, as chair on the three-member State Lands Commission. The Lieutenant Governor also chairs the California Commission for Economic Development and has been successful in creating a number of public-private partnerships with non-profit organizations to establish business forums throughout the world that promote trade opportunities for California companies and educational institutions. In addition, he serves as the vice chair of the Aerospace States Associations.

During his first term, Lieutenant Governor Bustamante chaired the Governor’s Emergency Freeze Task Force and has served on the California Emergency Council. Following several hate-related incidents that occurred in 1999, he created the commission for One California. In the course of the Census of 2000, he also served as a Presidential Appointee on the U. S. Census Monitoring Board.

Insurance is a $106 billion-a-year industry in California. The CDI regulates, investigates and audits insurance business to ensure that companies remain solvent and meet their obligations to insurance policyholders.

As administrator of the CDI, the Insurance Commissioner enforces the laws of the California Insurance Code and promulgates regulations to implement these laws.

The Insurance Commissioner issues certificates of authority to insurance and title companies seeking admittance into the California market; and licenses agents, brokers, solicitors and bail bond agents domiciled in the state.

CDI’s statewide toll-free hotline serves as an information clearinghouse for consumers with insurance-related questions or problems. The unit, staffed by insurance experts, provides immediate assistance to callers whenever possible.

The CDI responds to thousands of consumer “Request for Assistance” complaints received each month. Acting on these requests, the Department protects consumers by investigating and prosecuting companies and licensees accused of insurance code violations, including fraud.

California – The name California is believed to have come from a 16th Century Spanish novel about a mythical land inhabited by Amazons and ruled by the beautiful black queen Calafia. The first official mention of California was a July 2, 1542, entry in the diary of Juan Cabrillo as he ship lay at anchor off the coast of Baja California. The term was later applied to Alta California, which became the present State of California, on September 9, 1850.

The Great Seal – The design for the Great Seal was adopted at the Constitutional Convention of 1848. Under thirty-one stars, Minerva, Roman goddess of arts, sciences, and wisdom in war and peace, keeps watch over a tableau depicting industry, commerce, agriculture, mining, and the grandeur of nature. Like the political birth of California, Minerva was born full grown from the brain of Jupiter, father of the gods and guardian of law and order. The grizzly bear at her feet, independent and formidable, symbolizes California.

State Animal – The California Grizzly Bear, depicted on the Great Seal and the State Flag, became the official State Animal in 1953. Now extinct, the California Grizzly Bear was a particularly large, fierce and powerful animal that thrilled in the great valleys and low mountains of the state. The last living specimen was shot in Tulare County in 1922. A bear frequently symbolizes California in political cartoons.

State Bird – The California Valley Quail, also known as the valley quail, became the official State Bird in 1931. Plump, gray-colored and smaller than a pigeon, the California quail has a downward-curving black plume on top of its head and a black bib with a white stripe under its beak. They are known for their hardness and adaptability.

State Colors – The official colors of the state are blue and gold, Yale Blue and Golden Yellow. These are also the colors of the University of California.

State Dance and Folk Dance – West Coast Swing Dancing is the State Dance. It originated in California and is danced in competition nationally and internationally. The Square Dance is the official State Folk Dance.

State Fife and Drum Band – The California Consolidated Drum Band was designated as the official State Fife and Drum Corps in 1997.

State Fish – The California Golden Trout is native to no other state and became the official State Fish in 1947. Closely related to the rainbow trout, it was originally found only in the icy streams of the Kern Plateau in the southern Sierra Nevada, south of Mount Whitney.

State Flag – The Bear Flag was raised on June 14, 1846, by American settlers in Sonoma during an uprising against the Mexican government. Although the so-called "California Republic" was short lived, its flag became a romantic symbol of independence and was adopted as the State Flag by the Legislature in 1911.

State Flower – The Golden Poppy, which can be found blooming somewhere in California during every part of the year, became the State Flower in 1903. April 6 is designated California Poppy Day. California Indians valued the poppy as a food source and for the oil extracted from the plant. Also known as the flame flower, the poppy grows wild throughout California.

State Fossil – The Saber-Toothed Cat, adopted as State Fossil by the Legislature in 1973, was a powerful, tiger-sized carnivore with 8-inch fangs. Common in California 40 million years ago, it hunted thick-skinned animals such as mastodons.

State Gemstone – Benitoite was designated as the official State Gemstone in 1985. It is sometimes called the "blue diamond."

State Gold Rush Ghost Town – Bodie, in Mono County, was designated the official State Gold Rush Ghost Town by the Legislature in 2001.

State Grass – In 2004, Nassella Pulchra or Purple Needlegrass as it is commonly known, was designated the State Grass. It is the most extensive and widespread native perennial bunchgrass found in the state, with a range extending from the Oregon border into northern Baja California. It is a symbol of the heritage, splendor, and natural diversity found in the early days of California.

State Insect – The California Dog-face Butterfly, found nowhere outside this state, became the State Insect in 1972. Its wings are an iridescent bluish-black, orange and sulfur-yellow in color.

State Marine Fish – In 1995, the Legislature acted to protect the Garibaldi by placing a moratorium on commercial collection until the year 2002: it was also named the official State Marine Fish at that time.

State Marine Mammal – The California Gray Whale was designated the State Marine Mammal in 1975: specimens can grow 30 to 50 feet long and weigh up to 40 tons.

State Military Museum – In 2004, The California State Military Museum and Resource Center is the official state military museum.

State Mineral – Native Gold is the official State Mineral and was so designated in 1965. This state has produced more gold than any other in the Union, and it can still be panned in California's streambeds.

State Motto – "Eureka" appears on the Great Seal of the State. It is a Greek word meaning, I have found it, referring originally to the discovery of gold. "Eureka" was made the official State Motto in 1963.

State Nickname – "The Golden State" has long been a popular designation for California and was made the official State Nickname in 1968. It is particularly appropriate since California's modern development can be traced back to the discovery of gold in 1848 and fields of golden poppies can be seen each spring throughout the state.

State Poet Laureate – The office of Poet Laureate of California is based on a respected and ancient tradition that a state should designate a poet laureate to express in poetry the wit, wisdom and beauty appropriate for honoring individuals, events, special occasions and the natural heritage and culture of the state.

State Prehistoric Artifact – Perhaps the most unusual state symbol is the State Prehistoric Artifact, the Chipped Stone Bear. Discovered at an archaeological dig site in San Diego County in 1985, and resembling a walking bear, this 7,000-8,000 year old object was designated a state symbol in 1991, making California the first state to designate an official State Prehistoric Artifact.
The Golden State and State Emblems

State Reptile – The Desert Tortoise digs a deep burrow that it peaceably shares with owls and rattlesnakes. Related to the giant Galapagos tortoise, it is vegetarian and, if not removed from its desert habitat, very long-lived. The tortoise has been the official State Reptile since 1972 and is protected as an endangered species.

State Rock – In 1965, Serpentine, a blue- or green-colored stone, was adopted by the Legislature as the official State Rock.

State Silver Rush Ghost Town – In 2005, Calico is the official state silver rush ghost town.

State Soil – The San Joaquin Soil was designated as the official State Soil in 1997. The designation commemorates the completion of the state's most comprehensive soil inventory, and acknowledges the importance of soil.

State Song – “I Love You, California,” lyrics by F.B. Silverwood and music by A.F. Frankensteins of Los Angeles, was first sung publicly by Mary Garden in 1913. In 1951, the State Legislature passed a resolution declaring it California's state song: I Love You, California officially became the State Song by law in 1988.

I Love You, California

I.
I love you, California, you're the greatest state of all.  
I love you in the winter, summer, spring and in the fall.  
I love your fertile valleys; your dear mountains I adore.  
I love your grand old ocean and I love her rugged shore.

Chorus
Where the snow crowned Golden Sierras  
Keep their watch o'er the valleys bloom,  
It is there I would be in our land by the sea,  
Every breeze bearing rich perfume.  
It is here nature gives of her rarest.  
It is Home Sweet Home to me,  
And I know when I die I shall breathe my last sigh.  
For my sunny California.

II.
I love your red-wood forests -- love your fields of yellow grain.  
I love your summer breezes and I love your winter rain.  
I love you, land of flowers; land of honey, fruit and wine.  
I love you, California; you have won this heart of mine.

III.
I love your old gray Missions -- love your vineyards stretching far.  
I love you, California, with your Golden Gate ajar.  
I love your purple sun-downs, love your skies of azure blue.  
I love you, California; I just can't help loving you.

IV.
I love you, Catalina, you are very dear to me.  
I love you, Tamalpais, and I love Yosemite.  
I love you, Land of Sunshine, Half your beauties are untold.  
I loved you in my childhood, and I'll love you when I'm old.

State Tall Ship – “The Californian” was established as the official state tall ship in 2003. Currently housed in the San Diego Maritime Museum, the Californian is a full-scale reproduction of the 1848 Revenue Cutter Lawrence. She is 145 feet long with a beam of 27 feet and a draft of 9.5 feet. With all sails flying, she carries 7,000 square feet of sail.

State Tartan – In 2001, California adopted a Scottish symbol of courage in the face of adversity with designation of the official State Tartan. Based on the family tartan of John Muir, the pattern of Pacific blue and meadow green with charcoal bands plus red, gold and blue seams may be claimed and worn by any resident of the state.

State Theater – Designed in the Spanish style by architect Elmer Grey, the cornerstone for the Pasadena Playhouse was laid in May 1924. The theater staged its first production in May 1925 and was designated the official State Theater in 1937.

State Tree – The California Redwood became the official State Tree in 1937. Once common throughout the northern hemisphere, redwoods are now found only near the Pacific Coast. There actually are two species of California redwood the Coast Redwood and the Giant Sequoia that are among the most ancient and awesome of living things. The Giant Sequoia is the most massive tree in the world, with 30-foot diameter trunks and ages of over 3,000 years. The Coast Redwood is the tallest tree in the world, with specimens exceeding 300 feet in height, and living to be 2,200 years old.
Bracketed information indicates political affiliation, followed by district number, and counties contained within the districts; county names in CAPITALS denote counties that are wholly contained within the boundaries of the districts.
