I am pleased to present the Secretary of State’s 2013 edition of the California Roster.

This Roster provides a comprehensive listing of contact information for California’s government officials, as well as historical outlines of its constitutional offices and state emblems. It includes California’s federal, state, and county government officials, judicial officials, incorporated city and town officials, a listing of California’s unincorporated areas, state agency information, and a list of state-level officials across the United States.

The California Roster is available exclusively online. A complete new edition of the Roster is posted on the Secretary of State website, www.sos.ca.gov, each spring. Any change in information provided to my office during the course of the year will be updated upon receipt.

Sincerely,

Debra Bowen
Secretary of State
There are eight statewide Constitutional Officers: the Governor, Lieutenant Governor, Secretary of State, Attorney General, State Controller, State Treasurer, Insurance Commissioner and the State Superintendent of Public Instruction. These officers are all elected at the same time in a General Election and may be re-elected to a maximum of two four-year terms.

In the event of a vacancy in the office of the Governor, the Lieutenant Governor shall become Governor. In the event of a vacancy in both the offices of the Governor and the Lieutenant Governor, the succession order is as follows: first, the last duly elected President Pro Tempore of the Senate; second, the last duly elected Speaker of the Assembly; third, the Secretary of State; fourth, the Attorney General; fifth, the State Treasurer; and lastly, the State Controller.

**GOVERNOR**
Edmund G. Brown Jr.
State Capitol, Sacramento, CA 95814
Telephone: (916) 445-2841
Fax: (916) 558-3160
Website: http://gov.ca.gov

The supreme executive power of the State of California is vested in the Governor, whose duty it is to see that the law is faithfully executed.

The Governor is the Commander-in-Chief of this state’s militia. The Governor is the official communicator among this state’s government, the federal government, and other states of the United States. The Governor supervises the official conduct of all executive and ministerial officers, and the Governor sees that all offices are filled and their duties performed.

The Governor’s appointment power extends over significant areas of state government. First, the Governor has authority to fill vacancies in the judiciary (i.e. Municipal, Superior, Appeals, and Supreme Courts), and to fill newly created judgeships. Second, the Governor has the power, subject to confirmation by the State Senate, to appoint a large number of positions throughout the executive department.

The Governor communicates, during each calendar year, with the Legislature regarding the condition of the state and makes recommendations. The Governor submits an itemized budget to the Legislature within the first 10 days of each year.

The Governor may veto any bill passed by the Legislature and return it, with his objections to the house of origin. The Governor may also reduce or eliminate one or more items of appropriation while approving other portions of a bill.

The Governor utilizes, in addition to immediate staff, a cabinet that is composed of the ten major state agency secretaries (i.e., Business, Transportation and Housing; Corrections and Rehabilitation; Environmental Protection; Food and Agriculture; Health and Human Services; Labor and Workforce Development; Resources; State and Consumer Services; and Veterans Affairs), plus the Director of Finance and Secretary of Education.

This group serves as the Governor’s chief policy advisory body and, in their individual capacities, each implement and coordinates the Governor’s policies throughout the state.

The Cabinet supplies the Governor with a comprehensive view and current resume of the state operations and serves as a source for long-range planning.

**LIEUTENANT GOVERNOR**
Gavin Newsom
State Capitol, Room 1114, Sacramento, CA 95814

The Constitution provides that the Lieutenant Governor shall become Governor in the event of a vacancy. The Lieutenant Governor shall serve as acting Governor in the event of the Governor’s absence from the state, temporary disability or impeachment. The Constitution also provides that the Lieutenant Governor shall be President of the Senate, but that he shall have only a casting vote. The purpose of a casting vote is to break a tie. The casting vote may be used only if it will provide the necessary majority required.

The Lieutenant Governor serves in an ex-officio capacity as a voting member of the University of California’s Board of Regents and as a voting member of the California State University’s Board of Trustees. He serves, and rotates with, the State Controller as chair of the State Lands Commission. The Lieutenant Governor also chairs the California Commission for Economic Development.

Insurance is a $123 billion-a-year industry in California and contributes significantly to the state’s economy. Overseeing the industry and protecting the state’s insurance consumers are the primary responsibilities of the California Department of Insurance (CDI), which is the state’s largest consumer protection agency. The CDI regulates, investigates and audits the insurance companies to ensure they remain solvent and meet obligations to policyholders.

As administrator of the CDI, the Insurance Commissioner enforces the laws of the California Insurance Code and promulgates regulations to implement these laws.

The Insurance Commissioner issues certificates of authority to insurance and title companies seeking admittance into the California market; and licenses more than 300,000 agents, brokers, solicitors and bail bond agents domiciled in the state.

CDI’s statewide toll-free hotline serves as an information clearinghouse for consumers with insurance-related questions or problems. The unit is staffed by insurance experts who field nearly 200,000 consumer Requests for Assistance annually.

Acting on these Requests for Assistance, the Department investigates companies and licensees accused of insurance code violations, including fraud—the result is the return of tens of millions of dollars to consumers every year and prosecution of those who violate the law.

In addition to serving as an ex officio member of the University of California Board of Regents, the Superintendent serves as an ex officio member of the California State University and the California Commission on Teacher Credentialing boards of trustees. The Golden State and State Emblems

California – The name California is believed to have come from a 16th Century Spanish novel about a mythical land inhabited by Amazons and ruled by the beautiful black queen Calafia. The first official mention of California was a July 2, 1542, entry in the diary of Juan Cabrillo as his ship lay at anchor off the coast of Baja California. The term was later applied to Alta California, which became the present State of California, on September 9, 1850.

The Great Seal – The design for the Great Seal was adopted at the Constitutional Convention of 1848. Under thirty-one stars, Minerva, Roman goddess of arts, sciences, and wisdom in war and peace, keeps watch over a tableau depicting industry, commerce, agriculture, mining, and the grandeur of nature. Like the political birth of California, Minerva was born full grown from the brain of Jupiter, father of the gods and guardian of law and order. The grizzly bear at her feet, independent and formidable, symbolizes California.

State Animal – The California Grizzly Bear, depicted on the Great Seal and the State Flag, became the official State Animal in 1953. Now extinct, the California Grizzly Bear was a particularly large, fierce and powerful animal that thrived in the great valleys and low mountains of the state. The last living specimen was shot in Tulare County in 1922. A bear frequently symbolizes California in political cartoons.

State Bird – The California Valley Quail, also known as the valley quail, became the official State Bird in 1931. Plump, gray-colored and smaller than a pigeon, the California quail has a downward-curving black plume on top of its head and a black bib with a white stripe under its beak. They are known for their hardiness and adaptability.

State Colors – The official colors of the state are blue and gold, Yale Blue and Golden Yellow. These are also the colors of the University of California.

State Dance and Folk Dance – West Coast Swing Dancing is the State Dance. It originated in California and is danced in competition nationally and internationally. The Square Dance is the official State Folk Dance.

State Fife and Drum Band – The California Consolidated Drum Band was designated as the official State Fife and Drum Corps in 1997.

State Fish – The California Golden Trout is native to no other state and became the official State Fish in 1947. Closely related to the rainbow trout, it was originally found only in the icy streams of the Kern Plateau in the southern Sierra Nevada, south of Mount Whitney.

State Flag – The Bear Flag was raised on June 14, 1846, by American settlers in Sonoma during an uprising against the Mexican government. Although the so-called "California Republic" was short lived, its flag became a romantic symbol of independence and was adopted as the State Flag by the Legislature in 1911.

State Flower – The Golden Poppy, which can be found blooming somewhere in California during every part of the year, became the State Flower in 1903. April 6 is designated California Poppy Day. California Indians valued the poppy as a food source and for the oil extracted from the plant. Also known as the flame flower, the poppy grows wild throughout California.

State Fossil – The Saber-Toothed Cat, adopted as State Fossil by the Legislature in 1973, was a powerful, tiger-sized carnivore with 8-inch fangs. Common in California 40 million years ago, it hunted thick-skinned animals such as mastodonts.

State Gemstone – Benitoite was designated as the official State Gemstone in 1985. It is sometimes called the "blue diamond."

State Gold Rush Ghost Town – Bodie, in Mono County, was designated the official State Gold Rush Ghost Town by the Legislature in 2001.

State Grass – In 2004, Nassella Pulchra or Purple Needlegrass as it is commonly known, was designated the State Grass. It is the most extensive and widespread native perennial bunchgrass found in the state, with a range extending from the Oregon border into northern Baja California. It is a symbol of the heritage, splendor, and natural diversity found in the early days of California.

State Historical Society - Established in 1871, the California Historical Society was designated the official California State Historical society in 1979. Headquartered in San Francisco with a library and museum, the Society collects, preserves and exhibits materials about the history of California and the West. The Society also has a large collection of art that depicts the history of California. In addition to its library and museum function, it also offers lectures, family and school programs and other activities on a scheduled basis.

State Insect – The California Dog-face Butterfly, found nowhere outside this state, became the State Insect in 1972. Its wings are an iridescent bluish-black, orange and sulfur-yellow in color.

State Marine Fish – In 1995, the Legislature acted to protect the Garibaldi by placing a moratorium on commercial collection until the year 2002: it was also named the official State Marine Fish at that time.

State Marine Mammal – The California Gray Whale was designated the State Marine Mammal in 1975: specimens can grow 30 to 50 feet long and weigh up to 40 tons.

State Military Museum – In 2004, The California State Military Museum and Resource Center is the official state military museum.

State Mineral – Native Gold is the official State Mineral and was so designated in 1965. This state has produced more gold than any other in the Union, and it can still be panned in California's streambeds.

State Motto – "Eureka" appears on the Great Seal of the State. It is a Greek word meaning, I have found it, referring originally to the discovery of gold. "Eureka" was made official State Motto in 1963.

State Nickname – "The Golden State" has long been a popular designation for California and was made the official State Nickname in 1968. It is particularly appropriate since California's modern development can be traced back to the discovery of gold in 1848 and fields of golden poppies can be seen each spring throughout the state.
State Prehistoric Artifact – Perhaps the most unusual state symbol is the State Prehistoric Artifact, the Chipped Stone Bear. Discovered at an archaeological dig site in San Diego County in 1985, and resembling a walking bear, this 7,000-8,000 year old object was designated a state symbol in 1991, making California the first state to designate an official State Prehistoric Artifact.

State Reptile – The Desert Tortoise digs a deep burrow that it peaceably shares with owls and rattlesnakes. Related to the giant Galapagos tortoise, it is vegetarian and, if not removed from its desert habitat, very long-lived. The tortoise has been the official State Reptile since 1972 and is protected as an endangered species.

State Rock – In 1965, Serpentine, a blue or green-colored stone, was adopted by the Legislature as the official State Rock.

State Silver Rush Ghost Town – In 2005, Calico is the official state silver rush ghost town.

State Soil – The San Joaquin Soil was designated as the official State Soil in 1997. The designation commemorates the completion of the state’s most comprehensive soil inventory, and acknowledges the importance of soil.

State Song – "I Love You, California," lyrics by F. B. Silverwood and music by A.F. Frankenstein of Los Angeles, was first sung publicly by Mary Garden in 1913. In 1951, the State Legislature passed a resolution declaring it California’s state song: I Love You, California officially became the State Song by law in 1988.

I Love You, California

I
I love you, California, you're the greatest state of all.
I love you in the winter, summer, spring and in the fall.
I love your fertile valleys; your dear mountains I adore.
I love your grand old ocean and I love her rugged shore.

Chorus
Where the snow crowned Golden Sierras
Keep their watch o'er the valleys bloom,
It is there I would be in our land by the sea,
Every breeze bearing rich perfume.
It is here nature gives of her rarest.
It is Home Sweet Home to me,
And I know when I die I shall breathe my last sigh
For my sunny California.

II
I love your red-wood forests -- love your fields of yellow grain.
I love your summer breezes and I love your winter rain.
I love you, land of flowers; land of honey, fruit and wine.
I love you, California; you have won this heart of mine.

III
I love your old gray Missions -- love your vineyards stretching far.
I love you, California, with your Golden Gate ajar.
I love your purple sun-sets, love your skies of azure blue.
I love you, California; I just can't help loving you.

IV
I love you, Catalina, you are very dear to me.
I love you, Tamalpais, and I love Yosemite.
I love you, Land of Sunshine, Half your beauties are untold.
