Greetings,

I am proud to present the 2025 edition of the California Roster (CalRoster), published by the Office of the Secretary of State. This comprehensive directory provides detailed contact information for elected and appointed officials at the federal, state, and county levels. It also includes information on incorporated cities and towns, judicial officers, and state agencies, along with historical insights into California's constitutional offices and state emblems.

This year's edition marks a milestone: for the first time, data for the CalRoster was collected through a newly implemented virtual platform, developed in collaboration with our Information Technology Division. This innovative approach streamlined data collection and allowed us to provide the most up-to-date and accurate information of cities and counties in a more efficient and sustainable way.

The CalRoster is available exclusively online and is updated annually on the Secretary of State's official website: www.sos.ca.gov.

For updates or corrections to the information published in the Roster, please contact us at: calroster@sos.ca.gov.

Respectfully,

Shirley N. Weber, Ph.D.
California Secretary of State
