Secretary of State Alex Padilla Kicks Off High School Voter Education Weeks at North Hollywood High School

LOS ANGELES – Following his recent announcement that [over 100,000 pre-registrations have been completed by 16- and 17-year olds](#) since the launch of California's pre-registration program, **Secretary of State Alex Padilla** kicks off [High School Voter Education Weeks](#) (April 16-27) with a visit to [North Hollywood High School](#) on **Wednesday, April 18, 2018**.

Secretary Padilla will discuss the importance of voter registration and the role young people can play in shaping the future through civic participation. Nearly 1,000 students are expected to attend. Secretary of State staff will help students register and pre-register to vote.

As the June 5 Primary is fast approaching, students turning 18 on or before June 5 will have an opportunity to register and cast their first ballot this summer. 16- and 17-year-olds can pre-register to vote, and have their registration automatically activated when they turn 18.

Secretary Padilla recently launched a High School Civic Engagement Portal, [HighSchool.sos.ca.gov](#). High school students can learn more about pre-registration, find out how to be a student poll worker, get resources to host a Student Mock Election on their campus, and learn how to organize voter registration drives on their campuses during High School Voter Education Weeks.

The California Education Code designates the last two full weeks in April and September to be High School Voter Education Weeks. This provides an opportunity for high schools and their students to partner with elections officials to promote civic education and participation on campus and foster an environment that cultivates lifelong voters and active citizens.
