Secretary Padilla and Attorney General Becerra to Discuss Voting Rights and Announce New Voter Registration Numbers in San Francisco

SAN FRANCISCO - Secretary of State Alex Padilla and Attorney General Xavier Becerra will hold a press conference on Friday, November 2, to discuss voting rights and remind California voters of their rights ahead of the November 6, 2018 General Election. Secretary Padilla will also make a major announcement about voter registration activity in California.

In California there is a [Voter Bill of Rights](#) posted at every polling place and printed in the Voter Information Guide sent to every voting household in the state. You have the right to vote if you are a registered voter even if your name is not on the list at your polling place. You will be provided a provisional ballot and your vote will be counted if elections officials determine you are eligible to vote.
