“Millions of Californians headed to the polls earlier this week, and now they can honor a veteran or active duty service member in their life by dedicating their vote,” Secretary of State Alex Padilla said. “The service and sacrifice of generations of service members has made our democracy possible. We should honor our veterans and active duty service members by participating in the democracy that so many have fought to preserve. This Veterans Day, I am encouraging all Californians to consider dedicating their votes in honor of a loved one who has served or is currently serving.”
