Statement by Secretary of State Kevin Shelley Regarding Recall

SAN FRANCISCO --- Secretary of State Kevin Shelley today released the following statement regarding the recall effort against the Governor:

“County elections officials are working around the clock to verify recall signatures. I have directed my staff to work closely with them to ensure they are proceeding in a timely and accurate fashion,” said Secretary Shelley. “Each county will be assigned an individual elections expert who will assist them throughout the remainder of this process.”

“To ensure full public disclosure of signature counts reported to my office by county elections officials, I am posting updated signature totals on my Secretary of State website: www.ss.ca.gov,” Shelley concluded.
