In accordance with Elections Code section 13111(f), the names of candidates for municipal and district offices are arranged in accordance with the randomized alphabet. This alphabet applies throughout the entire last name of the candidate. If the names of two or more candidates begin with the same letter, their ballot listing order is determined by applying this randomized alphabet to the next letter(s) of their names. If last names of multiple candidates are the same, the random alphabet also applies to the first names.

Today's random alphabet drawing was held at the Elections Division within the Secretary of State's Office in compliance with Elections Code section 13112. Staff members pulled the letters in a lottery-style drawing with witnesses from the media and public present.
