**Subject:** 2020-0826-02S: Authorization to Renumber

Good afternoon,

You have my authorization to hand-write the changes on the Form 400 and regulation text for OAL matter number: 2020-0826-02S, in that the numbers previously selected for addition to the CCR actually belong to a different agency (FPPC). So, in order not to encroach on the FPPC's numbers and for the overall integrity of the CCR, I am requesting that you make the changes below. All section references below are to Title 2, CCR.

<u>Section to be Renumbered</u>	<u>Renumbered As</u>	<u>Update needed in text of section(s)</u>
23001	22701	
23002	22702
