Title 2. Administration
Division 7. Secretary of State

Article 1. Vote-by-Mail Ballot Drop Boxes and Vote-by-Mail Drop-Off Locations

20136. Drop-off Location and Drop Box Hours. Public Notification. Collection Times.

(a) The county elections official shall publicly announce the locations of drop-off locations and drop boxes at least 30 days prior to the election. The announcement must include the days and estimated times a particular staffed drop box will be available. The announcement must also include information on accessibility, including wheelchair access, for each drop-off location and drop box. Information shall be included in the county's Voter Information Guide and Sample Ballot publications, included in vote-by-mail materials sent to voters, and conspicuously posted on the county elections official's website. In the event any changes are made to locations and/or schedules, the information posted on the elections official's website shall be updated within 24 hours.

(b) For the purpose of posting the locations on the Secretary of State's website and to include information in any relevant election materials, the county elections official shall notify the Secretary of State of the drop-off and drop box locations, and the dates and estimated hours of availability, at least 30 days prior to the election. In the event any changes are made to locations and/or schedules, the Secretary of State must be notified within 24 hours.

(c) Drop boxes shall be locked and covered, or otherwise made unavailable to the public until the 29th day prior to the election, to ensure that no ballots or any other materials may be deposited before the vote-by-mail period begins. Prior to use on the 29th day before the election, all drop boxes shall be inspected for damage and to ensure they are empty.
